

Dear Sir / Mdm,

9th NFEC FIRE SAFETY AWARD 2011

We are pleased to inform that the Commercial Premises Committee of the National Fire and Civil Emergency Preparedness Council is once again organising and calling for nominations for the Fire Safety Award 2011 (Year of Assessment: 2010) for all commercial premises in the following categories:

- a. Shopping Centres
- b. Office Buildings
- c. Hotels
- d. Hospitals
- e. Retail Outlets

The objectives of the award are:

- a. To audit and recognise organisations for their commitment towards maintaining a high standard of fire safety in their premises or buildings.
- b. To inculcate a greater awareness of the need for a regular programme of action to ensure that buildings are safe from fire at all times.

The Fire Safety Award is presented by the National Fire and Civil Emergency Preparedness Council (NFEC) and supported by the Singapore Civil Defence Force (SCDF). The event is presented once every two years.

Over the years, the award has gained much popularity and has proven to be an important marketing tool for some of the winners. It is therefore an award, which is not only prestigious but also beneficial to all commercial premises.

We strongly encourage Building Owners and Fire Safety Managers to nominate their premises or buildings for the fire safety Award. A nominal non-refundable participation fee of \$80.00 is applicable.

Please complete and send the attached participation form together with a cheque made payable to "NFEC" to:
