

NFEC FIRE SAFETY AND CIVIL EMERGENCY PREPAREDNESS SEMINAR 2010

Protecting Businesses through Fire and Emergency Preparedness

30 September 2010, Thursday, 0845hrs-1700hrs
Venus Ballroom 1 (Level 3), Furama Riverfront Singapore
405 Havelock Road, Singapore 169633

The National Fire and Civil Emergency Preparedness Council (NFEC) is pleased to organize once again the annual Fire Safety and Civil Emergency Preparedness seminar for both Industrial and Commercial Premises. The 1-day event is targeted at fire safety managers, fire safety practitioners, safety officers, and all those who have a role or interest in contributing toward enhancing fire safety standards.

The seminar is not to be missed as it provides not only an enriching learning experience but also the platform to make contacts and network with fellow practitioners. As the seminar has been well received in the past years, do register early to avoid disappointment.

Objectives

The objectives of the seminar are to:

- Share learning points on recent cases of fires with participants
- Equip and update participants on good fire safety and emergency preparedness practices
- Share the latest trends in fire protection technology

Endorsement & Professional Points

The seminar is accredited under the Continual Professional Development (CPD) scheme of

- The Fire Safety & Shelter Department (FSSD), SCDF for Fire Safety Managers (**10 CPD points** will be awarded to seminar participants who are already **certified as FSMs before attending the conference**)
- The Singapore Institution of Safety Officers for Workplace Safety & Health Officers (**7 SDU points** will be awarded to seminar participants)
